

Fund Profile

The Zwitserleven Kortlopend Obligatiefonds invests in fixed-income securities denominated in euros with a relatively short residual maturity, a low liquidity risk and a low credit risk with an average minimal rating of A-. The fund managers invest in loans from companies that are financially healthy or under statutory supervision. They can also invest in loans from the government or government-guaranteed loans. Taking into account the risk profile, the investment objective is aimed at achieving the best possible return in the long term. The fund has sustainable characteristics and aims to contribute to long-term sustainability objectives in the field of the environment and social development and good entrepreneurship.
