

Fund Profile

ACTIAM Duurzaam Index Vastgoedfonds Europa invests in a portfolio of listed European real estate companies. The fund employs a passive investment strategy and attempts to replicate the index as close as possible. The index is compiled of shares qualified as sustainable real estate companies, using sustainability information that specifically relates to real estate companies. The companies are assessed, among other things, to what extent they contribute to the Sustainable Development Goals (SDGs) as adopted by the United Nations. The financial return objective is to achieve a return that equals the return of the index. At the same time, the fund has a sustainable investing objective. Securities lending is not permitted and currency risk will not be hedged.
