

Fund Profile

Zwitserleven Europees Aandelenfonds invests in companies in EU Member states, Switzerland and Norway. The fund's financial return is to at least match the return of the benchmark while remaining within an established risk framework. To deliver on this objective, the asset manager deploys an active investment strategy, capitalising on anticipated market trends. In order to deliver on sustainability ambitions, all companies in the fund are assessed on their environmental, social and governance performance (ESG criteria). An ESG score is assigned to all companies in the investment universe. The ESG score of the portfolio is always higher than the ESG score of the benchmark.
