

Fund Profile

ACTIAM Duurzaam Index Aandelenfonds Europa invests in a sustainable manner in shares of listed European companies. The fund is managed on a systematic basis. The objective is to approach the return of the MSCI Europe Index Net EUR as much as possible, taking into account the exclusion criteria. Investments are only made in shares which are not excluded on the basis of the General and Additional Exclusion Criteria as formulated by ACTIAM. This results in a deviation (tracking error) with respect to the index. The cash that becomes available due to the exclusion of companies is invested such that the tracking error is minimised. Securities lending is not permitted and currency risk will not be hedged.

Fundamental Investment Principles (ESG-criteria)

Companies are assessed on social-ethical principles in the areas of people, environment and society. Unacceptable behavior with regard to these themes can lead to exclusion, whereby companies are also assessed on the potential and intention to adapt.

The legend indicates for which % the fund meets the fundamental principles.
