

Fund Profile

The Zwitserven Long Duration Fonds invests in euro -denominated bonds and money market instruments, money market funds and in interest rate derivatives, whereby minimum ratings are set for each investment instrument. The average rating of the portfolio is at least AA-. The fund has sustainable characteristics and aims to contribute to long-term sustainability objectives in the field of the environment and social development and good entrepreneurship. The fund's investment objective is to match, with limited credit risk, a cashflow statement that is based on the average liabilities of Zwitserven's separate accounts.
