

Fund Profile

The Zwitserleven Kortlopend Obligatiefonds invests in fixed-income securities denominated in euros with a relatively short residual maturity, a low credit risk profile and a low liquidity risk. The investments are rated with an average minimum rating of A- by agencies Standard & Poor's, Moody's or Fitch. The fund managers invest in loans from companies that are financially healthy or under statutory supervision. They can also invest in loans from the government or government-guaranteed loans. Taking into account the risk profile, the investment objective is aimed at achieving the best possible return in the long term, based on a responsible investment policy.
