

Fund Profile

The Zwitserleven Obligatiefonds invests in a (diversified) portfolio of euro denominated government bonds and non-government bonds of which at least 90% should have a minimum average credit rating of BBB - and a maximum of 10% might have a lower average credit rating. All debtors and/or (fixed income) securities in the investment universe obtain an ESG-score. The ESG-score of the portfolio will always exceed the ESG-score of the benchmark. The fund's objective is to at least match the return of the benchmark and at the same time achieve the highest possible ESG score. The fund has sustainable characteristics and aims to contribute to long-term sustainability objectives in the field of the environment and social development and good entrepreneurship.
