

Fund Profile

ACTIAM Duurzaam Mixfonds Offensief primarily invests in listed global equities and listed European real estate companies, as well as sustainable corporate bonds denominated in euros. In addition, the fund may invest to a limited extent in short-term bonds and other investment categories, including "high yield" bonds and "emerging market debt". The fund's objective is to achieve a return at least equal to that of the composite benchmark. The investment policy responds to market developments and economic outlook. Depending on this, an allocation across the investment categories is chosen. The fund also promotes environmental and social characteristics, within the meaning of Article 8 of the SFDR, and aims to contribute to long-term sustainability objectives in the field of the environment and social development and good entrepreneurship.

ESG characteristics

Companies and institutions are assessed on social-ethical principles in the areas of people, the environment and society. Failure to comply with the minimum sustainability criteria by the companies and institutions can lead to exclusion, whereby companies and institutions are also assessed on the potential and intention to adapt.

The legend indicates the percentage of the fund's investments which meets the minimum sustainability principles as applied by the management company.
