

Fund Profile

ACTIAM Duurzaam Mixfonds Neutraal invests in listed global equities and listed European real estate companies, as well as sustainable corporate bonds denominated in euros and short-term bonds. In addition, the fund may invest to a limited extent in other investment categories, including "high yield" bonds and "emerging market debt". The fund's objective is to achieve a return at least equal to that of the composite benchmark. The investment policy responds to market developments and economic outlook. Depending on this, an allocation across the investment categories is chosen. The fund has sustainable objectives, within the meaning of Article 9 of the SFDR, and contributes to sustainability objectives in the field of the environment and social development and good entrepreneurship.
