1 Executive Summary

This Policy explains the complaints procedures that ACTIAM has put in place for the purposes of the handling of complaints introduced by the revised Markets in Financial Instruments Directive 2014/65/EU dated May 15 2014 (“MiFID2”) as implemented in Financial Supervision Act (*Wet op het financieel toezicht* and the “FSA”) and the MiFID2 Delegated Directive 2398 dated 7 April 2016 (the “Delegated Directive”).

ACTIAM is an Alternative Investment Fund Manager (“AIFM”) licensed by the Authority for the Financial Markets - AFM. Based on its license it is also allowed to provide certain ‘MiFID services’, being: portfolio management, investment advice and reception and transmission of orders. In principle the MiFID2 complaints rules regime only applies to ACTIAM when it provides these ‘MiFID services’ and does not apply when ACTIAM acts as the AIFM for any of the Alternative Investment Funds (“AIFs”) managed by it. This Complaints Handling Policy only applies in relation to the MiFID services of ACTIAM.

That is to say it applies to end clients who are categorized as retail, professional or eligible counterparty clients under MiFID2.

Jurisdictional scope: This Policy applies when ACTIAM carries out MiFID Services wherever the end client is based. ACTIAM will adopt a proportionate approach and will take into account different regulatory systems across EU jurisdictions or non-EU jurisdictions.
